September 8, 2021

Dear IS 96 Families,

I am thrilled to share this letter as we approach the 2021-2022 school year reopening and homecoming celebration. I am honored to have been given the opportunity to lead I.S. 96. I have served as the Assistant Principal of Seth Low, I.S. 96 for the last three years and this community is truly amazing. I look forward to the year ahead and meeting each and every one of you. To get us started, I have outlined our welcoming protocols for the first day of school.

The first day of school for students is **Monday, September 13, 2021**. School begins at 8:30 A.M. for all students. Doors will open at 8:00 AM. All students must complete the COVID Health Screening every day before coming to school. Here is the link you can use to complete the screening on your phone: <https://healthscreening.schools.nyc/> Please take a screenshot to show the grade level dean at your assigned arrival entrance so it is readily available upon entry. Hard copies of the Health Screening will also be available at each entrance. Each person must wear a mask that covers both their nose and mouth when entering the school building.

- 6th grade will enter in the schoolyard between Avenue P and Avenue O.
- 7th grade will enter on the corner of West 12 and Avenue P.
- 8th Grade will enter on the side street of West 11 between avenue P and O.

Students will receive their class and an entry slip with directions on which classroom to attend. All of our staff members will be lining our halls to welcome and direct students to their proper classrooms. During the first period, students will receive programs from their teachers who will explain how to follow their schedules.

We are excited to welcome everyone back to Seth Low. If you have any questions as we approach, feel free to contact anyone of the following:

- Parent Coordinator: Brenda Morales (Extension 2111)
